

SPECIAL CONSTRUCTIONS: WE MAKE THEM!

For your special project, construction with special requirements or architecture with great challenges, we are happy to step out of the ordinary for you.

Because the world is colourful and diverse, not just square, practical, good and standardised. Our motivation and speciality is to find the right louvre, the right door or an unconventional damper, even in the case of special constructions, according to the customer's wishes and in the usual Swiss quality.

-  Special sizes
-  Special colours
-  Outstanding combinations
-  Various materials
-  Unconventional features
-  Exceptional shapes
-  Useful coating

WE WILL GLADLY ADVISE YOU!
